Report on Add on Course on Photography

The department of Journalism and Mass Communication, Women's College, Calcutta conducted a 30 hour Add on Course on Photography on August - September 2022.

Amar Dutta, a practicing and passionate photographer was invited as the resource person for the Add on Course. The main objective of this course was to introduce students to different aspects of photography and also introduce them to tools used for photo editing.

The course conducted began with lot of interesting exercises to make a student comprehend the importance of perspective, lighting and sound in a photograph. It was also explained why it is important to have a perspective through an interesting exercise and also how an individual's observations are different from another individual and how it finally influences the way a person looks at a particular image. The faculty of the department, Rashmi Roy Mukherjee and Rilina Kanjilal took sessions individually. Students were given practical assignments for which they had to go out of their classrooms and were given themes on which they would click pictures. They were divided into groups and each group was given a theme. Their works were reviewed during the course later.

The course concluded with an exercise where the students were asked to present their work done during the course. They organized a Photography Exhibition. Finally, students were given certificates for their participation.
